There are over 1000 curling clubs in Canada, with about 1.3 million curlers. The Parry Sound Pilot 2-4 Bonspiel could expand to curling clubs across Canada, becoming a national event in support of serving or former members of the Canadian Armed Forces. It is a great way for curlers from all corners of our country and curlers come from all corners, to make a powerful statement of appreciation, support and respect for those who are serving or have served in the Canadian Armed Forces. The Parry Sound Pilot will have 48 adult and 8 high school teams participating.

Curling Clubs, Service Clubs, Legions, or any other community group interested in hosting a 2-4 Support our Troops Bonspiel can contact rpavlove@cogeco.ca

Note: This fundraiser is not an official DND/CF or NPP activity. Parry Sound Curling Club is not an Authorized Agent of DND or the CF. This is a fund raising initiative undertaken by the Parry Sound Curling Club in support of the work that the Canadian Forces Morale and Welfare Services organization does for our veterans and serving members of the forces.
